

HIMANSHU KUMAR

Data Analyst · Full-Stack Web Developer · Python & BI Enthusiast

+91 9341112974 | himanshukumarsingh1610@gmail.com | Greater Noida / Delhi NCR, India | Portfolio | LinkedIn: /in/himanshu-kumar-1618hks | GitHub: @himanshu161098 | Instagram: @himanshu_singh1610

PROFESSIONAL SUMMARY

Results-driven final-year **B.Tech (Computer Science & Engineering - IT)** student at IIMT College of Engineering (AKTU) with solid technical foundations in **Python, SQL, Exploratory Data Analysis (EDA), Data Cleaning**, and **Business Intelligence (Power BI, Excel)**. Successfully delivered an exploratory catalog intelligence analysis on an **8,787-record Netflix dataset** and built responsive web applications with JavaScript and Three.js. Holds **5 industry-recognized certifications** in Data Analytics and AI/ML. Seeking an internship or entry-level Data Analyst / Software Developer role to translate raw data into actionable business impact.

TECHNICAL SKILLS

Languages & Core: Python, SQL, JavaScript (ES6+), C++, Java, HTML5, CSS3

Data Analytics & BI: Pandas, NumPy, Exploratory Data Analysis (EDA), Data Cleaning, Outlier Detection, Matplotlib, Seaborn, Microsoft Power BI (Dashboards, KPI Cards), MS Excel (Pivot Tables, VLOOKUP/XLOOKUP, Advanced Formulas)

Databases & Web Tech: MySQL (Relational Schemas, Complex Queries, Joins), MongoDB, Three.js (WebGL), Tailwind CSS, Bootstrap 5, REST API Integration

Developer Tools: Git, GitHub, GitHub Actions (CI/CD Automated Sync), Visual Studio Code, Jupyter Notebook, Google Colab

KEY TECHNICAL PROJECTS

Netflix Content Catalog Analysis | Internship Project · Auspify Technologies *Python, Pandas, NumPy, Matplotlib · 2026*

- Conducted comprehensive exploratory data analysis (EDA) across **8,787 Netflix movie and TV show titles** to discover catalog composition patterns and distribution trends.
- Cleaned and parsed multi-value fields including genres, cast directories, missing release metadata, and inconsistent duration formats using vectorized Pandas routines.
- Quantified Netflix's strategic pivot toward international original content across Asia and Europe; extracted top-tier rating concentrations (TV-MA, TV-14) shaping audience segmentation.
- GitHub Repository:** github.com/himanshu161098/Netflix-Sales

Interactive 3D Developer Portfolio & Prachi AI Assistant *Three.js, ES6+ JavaScript, CSS3, GitHub REST API · 2026*

- Designed an ultra-responsive personal developer portfolio featuring custom 3D WebGL particle matrices and interactive cyber-hud telemetry powered by Three.js.
- Automated portfolio telemetry via **GitHub Actions CI/CD cron pipeline** that synchronizes repository stats and activities dynamically every 6 hours.
- Integrated **Prachi AI** — a client-side multimodal AI assistant supporting multi-session persistence, speech synthesis/recognition (STT/TTS), and custom STEM solvers.
- Live Demo & Repo:** himanshu161098.github.io/personal-portfolio | github.com/himanshu161098/personal-portfolio

Interactive UNO Playing Card Game *JavaScript (ES6+), HTML5, CSS3, Tailwind CSS · 2026*

- Built a browser-based 1v1 UNO game featuring an autonomous AI opponent, modular object-oriented card logic, and real-time state tracking.
- Implemented full game rules including action cards (Skip, Reverse, Draw Two, Wild, Wild Draw Four) with fluid CSS animation transitions and responsive layouts.
- GitHub Repository:** github.com/himanshu161098/UNO-playing-Card-

Smart House Security System Using AI *JavaScript, Machine Learning, Cloud REST APIs · 2026*

- Architected an intelligent IoT monitoring system utilizing anomaly detection models to flag unauthorized perimeter breaches from simulated sensor streams.
- Integrated cloud webhook alerting and real-time event telemetry to transmit instant push notifications upon threat classification.

EDUCATION

Degree / Qualification	Institution / Board	Year	Score / Status
B.Tech – Computer Science & Engineering (IT)	IIMT College of Engineering, Greater Noida (AKTU)	2022 – 2026	Final Year (Ongoing)
Senior Secondary (Class XII) – Science	Bihar School Examination Board (BSEB)	2023	67.8%
Secondary (Class X)	Bihar School Examination Board (BSEB)	2021	68.2%

CERTIFICATIONS (5 INDUSTRY RECOGNIZED)

- Data Analysis with Python** – NumPy, Pandas & Visualization
- Foundations: Data, Data, Everywhere** – Data Ecosystem & Ethics
- Introduction to Data Analytics** – Analytical Thinking & Frameworks
- Fundamentals of Machine Learning & AI** – Supervised & Unsupervised Models
- Foundations of Cybersecurity** – Security Principles & Network Defense
